

## 02 · Scalping frameworks

FXC Pro · Class notes (view only)

### Topics in this lesson

- Fast timeframes
- Precision entries
- Discipline under pressure

*Illustrative chart — for education only. Not financial advice.*

### Explanation

Scalping seeks small, high-probability moves on fast timeframes. It demands tight execution and even tighter discipline.

Entries are precise and pre-planned; hesitation is costly. We drill setups until execution is mechanical.

Scalping is not for everyone — we help you decide honestly whether it fits your temperament.
